NOTICE OF OPPOSITION

The Administrators of the Tulane Educational Fund, a non-profit corporation organized under the laws of Louisiana, whose address is 6823 St. Charles Avenue, 300 Gibson Hall, Tulane University, New Orleans, Louisiana 70118, believes that it will be damaged by the grant of a service mark registration to Oyster Weigel and Matthew C. Weigel for the term TAULANEE for “On-line retail store services featuring clothing; Wholesale and retail store services featuring clothing” and hereby opposes the same.

As grounds for opposition, Opposer alleges as follows:

1. Applicants seek to register the term TAULANEE as a service mark in International Class 035 for services identified as “On-line retail store services featuring clothing; Wholesale and retail store services featuring clothing,” as evidenced by the filing of trademark application Serial No. 77/614,792 (“the ‘792 Application”) on November 14, 2008 and the publication for opposition of the ‘792 Application on April 7, 2009.

2. Opposer is the owner of eleven (11) U.S. Registrations of the trademark and service mark TULANE for a wide variety of goods and services, as indicated in the table below.

These eleven registrations claim various dates of first use and dates of first use in commerce as indicated below. A true copy of a current printout from the electronic database records of the USPTO for each registration is attached as an exhibit, as indicated below.

3. In addition to the trademark and service mark registrations identified in Paragraph 2, Opposer owns and has continuously used its TULANE trademark and service marks for a variety of unregistered goods and services.

4. The trademarks and service marks referred to in Paragraphs 2 and 3 of this notice of opposition are collectively referred to herein as the “Tulane Marks.” Opposer owns and has continuously used its Tulane Marks in connection with the goods and services described above since long before the November 14, 2008 filing date of the ‘792 Application.

5. By virtue of the substantial delivery of the goods and services described above under its Tulane Marks, persons familiar with such goods and services have come to recognize Opposer’s Tulane Marks as an indication of a unique brand of goods and services. Consequently, Opposer has established valuable good will in its Tulane Marks.

6. By virtue of its exclusive and continuous use of its Tulane Marks, Opposer has acquired and is the sole owner of common law, state statutory, and other trademark, service mark, trade name, and related rights to its Tulane Marks.

7. The retail store services intended to be offered by Applicants under the term TAULANEE are closely related to the goods and services offered in connection with Opposer’s Tulane Marks, and are sold, distributed or provided, or likely to be sold, distributed or provided, through the same or commercially related channels of trade to the same or overlapping classes of purchasers, consumers or users.

8. Persons familiar with Opposer’s goods and services marketed under its Tulane Marks, upon seeing the Applicants’ retail store services sold, distributed or provided under the term TAULANEE, would be likely to believe, and would be justified in so believing, that such services originated from Opposer or were produced in association, connection or affiliation with,

or under sponsorship, approval or authorization by, Opposer. Thus, the term TAULANEE, as used in connection with the retail store services intended to be offered by Applicants, would lead persons familiar with Opposer's Tulane Marks to believe that such services are provided or originated by, sold or distributed in association, connection or affiliation with, or under sponsorship, approval, authorization or license from Opposer.

9. It is likely that, and Opposer believes that, if Applicants are permitted to register the term TAULANEE as a service mark for the retail store services identified in the '792 Application, confusion of the trade and public would, or likely would, result by reason of similarity between the term TAULANEE and Opposer's Tulane Marks. Such confusion would result in damage and injury to Opposer. Customers, consumers and/or users familiar with Opposer's Tulane Marks would be likely to purchase, consume, or otherwise use Applicants' services, believing them to originate from, be sponsored by, or be under license from Opposer. Any defect, objection, fault, or adverse publicity in connection with Applicants' services sold, distributed or provided under the term TAULANEE would necessarily reflect on and seriously injure the reputation that Opposer has established for its Tulane Marks.

10. If Applicants are granted a registration for the term TAULANEE as a service mark for the retail store services identified in the '792 Application, it would obtain thereby at least *prima facie* exclusive right to use the term TAULANEE in connection with such services. Such registration would be a source of damage and injury to Opposer and Opposer's customers.

11. In view of the similarity of the term TAULANEE and the Tulane Marks, and the similarity of the services intended to be offered by Applicants to Opposer's goods and services, the term TAULANEE so resembles Opposer's Tulane Marks as to be likely to cause confusion, or to cause mistake or to deceive as to the affiliation, connection, or association between the

parties or as to the origin, sponsorship, or approval by Opposer of the services intended to be offered by Applicants.

12. Opposer's Tulane Marks are distinctive and famous according to a number of factors, and registration of the term TAULANEE will cause, further, or support, or is likely to cause, further, or support, dilution of the distinctive quality of Opposer's Tulane Marks and otherwise violate and infringe upon Opposer's rights under Section 43(c) of the Lanham Act, 15 U.S.C. § 1125(c).

WHEREFORE, Opposer, The Administrators of the Tulane Educational Fund, prays that, after due proceedings are had, Applicants' application Serial No. 77/614,792 be rejected, that registration of the term TAULANEE therein sought be denied and refused, and that this opposition be sustained.

To the extent any fees are required to file or process these documents, the Commissioner is hereby authorized to charge any and all fees which may be required, or credit any overpayment to, Deposit Account No. 03-0937.
